FINAL ALTERNATIVE ASSESSMENT: AUGUST 2020 SESSION
24 HOURS

Home Design Screen for “AI Covida Clothes Store” Website

Total Marks: 100%

Duration: 24 hours

Information about the assessment:

Create your planned home design screen for the “AI Covida Clothes Store” website. The store wants to attract new customers.

The requirements and constraints are as follows:

1. You must use Photoshop to create the homepage layout, demonstrating as far as possible what you have learnt.
2. The homepage should be at least 1024(width) and 768(height) pixels in size with resolution of 72 PPI (Pixels per Inch).
3. It should include as a minimum:
 - An original 3D logo in vector format by using Adobe Photoshop 3D tools.
 - The company's name.
 - At least one manipulated photographic element or one adapted from a photograph.
 - At least one *rollover button* to the (imaginary) site content.
 - At least one *image map* by using slice tool.
 - At least one type of filter.
 - At least one type of blend mode.
 - At least one type of adjustment layer.
 - At least one type of layer style.
4. Adobe Photoshop *artboard tool* is not allowed.
5. All the layers cannot be flatten.
6. You are required to create and submit the customized *color swatches* in ACO file.

Marks are awarded for:

Demonstrated technical knowledge of Photoshop, image manipulation, design skills, effectiveness and attractiveness.

Students are required to submit the softcopy of the assessment which includes either PSD or PSB file, color swatches in ACO file, and all source files in .zip file on Blackboard before the due date.

~THE END~
